VERBENA A 925 SQ. FT. / VERBENA B 1125 SQ. FT.

Located above Murray Circle restaurant, these elegant locations are ideal for smaller weddings of 25 to 120 guests, rehearsal dinners or receptions. Each room features high ceilings, an inviting fireplace, fine art photography and ample natural light enhanced by attractive lighting fixtures. There is also access to a large indoor foyer and heated outdoor porches with seating for guests to savor stunning views of the parade ground, Golden Gate Bridge and San Francisco Bay. (Please note that due to Verbena's location within the building, we cannot accommodate loud music or a dance floor; however, MP3 players can be hooked up to the house sound system and small bands may be accepted on a case-by-case basis.)
